The Commission suggests that the article description on page 1 of this report be used in the proposed new heading, to provide a correct chemical name.

The Commission also suggests that the phrase “No change” be inserted in lieu of “Free” in the special subcolumn of the proposed new heading.

---

<sup>3</sup> The Commission may express an opinion on the HTS classification of a product to facilitate consideration of the bill. However, by law, only the U.S. Customs Service is authorized to issue a binding ruling on this matter. The Commission believes that the U.S. Customs Service should be consulted prior to enactment of the bill.
